

*If there's a book you really want to read,
but it hasn't been written yet,
then you must write it.*

~Toni Morrison

Bartash is proud to support the

For over 50 years, Bartash has supported the role of publishers
in the commerce, culture and communication that builds communities.

Bartash is committed to encouraging the writers and readers of tomorrow,
because without them, great ideas will never see the light of day.
